We support development South of the Moore River Estuary

Petition

December 2009 • January 2010

To the honourable the Speaker and Member of the Legislative Assembly of the Parliament of Western Australia in Parliament assembled.

We, the undersigned, support the fundamental right of every Western Australian to lawfully develop their land.

We support the responsible development of the Moore River South land located south of the Moore River Estuary.

We are opposed to Western Australian tax payers funding any acquisition of the Moore River South land to the benefit of the privileged few who live north of the Moore River.

We support the planned provision of residential land south of the Moore River to enable more Western Australians to enjoy the amenity of the area.
